

# Damage Suit

Acid from an overhead conduit dripped on his truck-crane while it was being used on a job at the U. S. Rubber Co., E. H. Swenson, Joliet and Lockport contractor, charges in a \$2,000 damage suit filed in Circuit court yesterday.

For damages to the truck as a result of the acid dripping on the machine, Swenson is asking the \$2,000.

The acid-dripping incident took place in March of this year, it is charged in the suit filed thru the law firm of Gray, Thomas and Wallace.
